- 25X1A 1. [REDACTED] General Plastiras attempted to get to the United States prior to the United Nations discussions in the hope that he would be proposed as the logical solution to Greece's post-guerrilla problem. Sophocles Venizelos is supporting him, as well as the currently proposed amnesty measures, in an attempt to strengthen the Liberal Party. Plastiras would present the conciliatory program which, [REDACTED] would be acceptable to the USSR and would, at the same time, overcome the present violent opposition of the Populists to the amnesty measures.
- 25X1A 2. [REDACTED] the Populist Party will fight the amnesty law for as long as Constantine Rendis remained in office.
